

## QUALITY POLICY

We shall demonstrate our commitment to quality by consistently delivering high quality services and striving to exceed the expectations of our clients.

Our activities are governed by an Integrated Management System which supports our quality objectives through an established framework of operating procedures and verification processes audit.

Frigstad Offshore affirms this commitment by:

- Set targets, monitor and manage the Quality objectives.
- Continuously identify areas within our system for improvement.
- Conduct annual management review of our Integrated Management System to evaluate performance and set targets.
- Complying with all legal and regulatory requirements.
