

SECURITY POLICY

Frigstad Offshore operates on a worldwide basis; we shall protect our people and assets as follows:

Security risks to Frigstad Offshore personnel or assets will be identified and eliminated or minimised to a level as low as reasonably practical, Where they cannot be eliminated they will be managed or mitigated by prudently identifying, anticipating, preventing, investigating and responding to potential and real threats.

Frigstad Offshore is committed to:

- Complying with IMO International Ship and Port Facility Security (ISPS) Code requirements.
- Complying with our Company policies and applicable laws and regulations of the countries where we operate.
- Conducting Security Drills as necessary.
- Training employees in Security matters.
- Investigating security incidents, identifying the immediate and underlying causes.
- Safeguarding personnel and assets and providing a secure work environment.
- Defending the Company's operations against cyber threats and protecting critical infrastructure.
- Conducting ourselves in an ethical manner
